

Multiplicação

PROPRIEDADE COMUTATIVA

Instruções: Recorte os pedaços abaixo. Use a propriedade comutativa para encontrar duas equações que sejam iguais. Então, encontre o cone com o produto para criar o cone de sorvete.

 9×5	 4×12		
 8×1	 6×7		
 12×4	 5×9		
 7×6	 1×8
