

Ache o Intruso

Observe cada grupo de desenhos com muita atenção. Encontre o desenho que é diferente dos outros e circule-o com seu lápis vermelho.

Sombra e Forma

Os animais estão brincando de esconder! Você consegue descobrir qual é a sombra de cada bichinho? Ligue o desenho colorido à sua sombra correta.

O Detetive das Cores

Olhe o padrão de cores lá em cima. Agora, pegue seus lápis e pinte os círculos de baixo seguindo a mesma ordem de cores. Não vale errar a sequência!

Metades Iguais

O vento soprou e partiu as figuras ao meio! Ajude a consertar os desenhos ligando a metade da esquerda com a sua metade correta na direita.
